

Dataset Agreement

Prof. Jianhuang Lai
School of Computer Science and Engineering
Sun Yat-Sen University
No. 132, Outer Ring East Road, University Town, Panyu District, Guangzhou, China

I declare that I accept the following terms:

- This dataset is strictly for non-commercial use only, including but not limited to teaching, academic research, public demonstrations, and personal experimentation. You are prohibited from using this dataset or any derivative works for commercial purposes in any form. Commercial purposes include, but are not limited to, using the dataset for business operations, licensing, leasing, selling, distributing with commercial products, or incorporating it into the development or use of commercial products, or any activity aimed at generating commercial profit for yourself or others.
- This dataset can not be copied, shared, distributed, resold, offered for resale, transferred, or sublicensed in whole or in part, except for making a single copy for archival purposes only. Images or videos from the dataset may be used and modified for scientific publications, supplementary materials for scientific publications, presentations, and public demonstrations.
- If this dataset is used in any form for a publication, the following reference must be cited:
Hongxu Chen, Jianghao Xiong, Yuheng Huang, Xiaohua Xie, Jianhuang Lai*,
"Visible-Infrared Person Search: A Novel Benchmark and Solution." International Conference on Pattern Recognition, 2024.
